

DAGS v1.0 Normative Standard

# Change Log

## 1. Purpose

This Change Log records all approved modifications to the DAGS Normative Standard.

Its purpose is to:

- Provide a permanent, auditable record of changes
- Preserve interpretive stability over time
- Prevent silent, retroactive, or informal modification
- Support insurer-, regulator-, and auditor-legible traceability

This document is normative.

---

## 2. Change Recording Rules

All changes to the normative standard:

- Shall be recorded in this Change Log
- Shall reference the affected version
- Shall include a concise description of the change
- Shall indicate whether the change is major, minor, or editorial

Changes not recorded here are not authoritative.

© DAGS Governing Body. DAGS™ is a publicly available standard. Editorial and interpretive authority is retained exclusively by the DAGS Governing Body.  Reference to or implementation of this standard does not imply certification, compliance, endorsement, or authorization unless expressly granted in writing by the DAGS Governing Body.	<b>Version:</b> v1.0 <b>Status:</b> Published

---

## 3. Version History

### v1.0 — Initial Publication

**Status:** Published

**Date:** [To be inserted at publication]

**Description:**

Initial publication of the DAGS v1.0 Normative Standard, including:

- Editorial Charter
- Scope and Boundaries
- Definitions and Terminology
- Normative Language Rules
- Versioning and Change Control
- Control Domains and associated requirements
- Evidence principles, registries, and normative appendices

This version establishes the baseline against which all future changes are measured.

Errata, if issued, shall be recorded separately and shall not retroactively alter the text of v1.0.

---

## 4. Amendments

No amendments have been issued as of v1.0.

All future amendments shall be appended chronologically below and shall not alter or overwrite prior entries.

## 5. Prohibited Practices

The following are prohibited:

- Editing historical entries
- Deleting or obscuring prior changes
- Recording informal or unapproved modifications
- Reinterpreting prior versions through later entries

The Change Log is a record, not a negotiation surface.

---

## 6. Status

This Change Log is **normative**.

It is binding for DAGS v1.0 and all subsequent versions unless explicitly superseded.

---

## 7. License & Authority

The Deployment AI Governance Standard (DAGS) is a publicly available governance standard made available for reference and implementation.

All intellectual property rights in DAGS, including the standard text, structure, methodology, and interpretive guidance, are retained by the DAGS Governing Body.

Public availability of this document does not grant any license or right to use DAGS for commercial, advisory, certification, assurance, or assessment purposes.

Such uses may require separate authorization or licensing from the DAGS Governing Body. No rights are granted by implication, estoppel, or public distribution.

Editorial, interpretive, versioning, and equivalency authority is retained exclusively by the DAGS Governing Body. No third party may issue authoritative interpretations, certifications, or compliance determinations without explicit written authorization.
